# “NEWS AND VIEWS”

**TECHNICAL WORKSHOP, USER SUB-GROUP MEETINGS, BOOK-AN-EXPERT**

**Tuesday 29 January 2002 09.00 – 18.00**

**Pavillon L – Conference Room “L Cinema”**

**International Training Centre of the International Labour Organization  
Viale Maestri del Lavoro, 10, 10127 TORINO**

- 09.20 - 09.30**      **OPENING OF INTECNO-DHI HYDROINFORMATIC DAYS**
- Carlo Malerba.** Vice-president of INTECNO-DHI; Managing Director of Hydrodata S.p.A.
- 09.30 – 09.45**      **THE IMPORTANCE OF THE INTECNO-DHI HYDROINFORMATIC USER GROUP <sup>1</sup>**
- Karsten Havnø.** President of INTECNO-DHI; Director of Division for Water Resources, DHI Water & Environment
- 09.45 - 10.45**      **“NEWS AND VIEWS”: AN OVERVIEW OF THE LATEST DEVELOPMENTS OF INTECNO-DHI MODELLING TOOLS <sup>2</sup>**
- Børge Storm.** Head of Water Resources Software Department, Division for Water Resources, DHI Water & Environment
- 10.45 - 11.00**      **COFFEE BREAK**
- 11.00 - 12.15**      **PRESENTATION OF 3 HYDROINFORMATIC PROJECTS <sup>3</sup>**
- ***Development of a Physically Based Flood Forecasting System: On-line “MIKE Flood Watch” in Regione Piemonte***

**Secondo Barbero.** Senior hydrology expert and project manager of “Sistema Informativo per la Previsione delle Piene dei Corsi d’Acqua del Bacino Idrografico piemontese”, Direzione Regionale dei Servizi Tecnici di Prevenzione, Regione Piemonte

  - ***Integrated Groundwater Balance and Optimisation: Project of the River Adige, Regions of Trentino Alto Adige and Veneto***

**Nicola Quaranta.** Senior INTECNO-DHI expert in hydrogeology and groundwater related projects (MIKE SHE), Torino

  - ***Integrated Numerical Model for the Analysis of the Interaction between River and Sea at the Mouth of the River Magra, Region of Liguria***

**Marco Gonella.** Director of MED INGEGNERIA S.r.l. Senior INTECNO-DHI expert in coastal and sea related projects (LITPACK, MIKE 21)
- 12.15 - 13.15**      **QUESTIONS AND DEBATE**
- Coordination:** Professor Mauro Fiorentino, hydraulic engineer, University of Basilicata.
- 13.15 - 14.15**      **LUNCH**

1 Intervention will be in English. Summary will be provided in Italian  
 2 Intervention will be in English. Summary will be provided in Italian  
 3 Interventions will be in Italian. Summary will be provided in English

14.30 - 16.20

**“NEWS AND VIEWS”: INTERACTION MEETINGS AMONGST USERS AND INTECNO-DHI EXPERTS IN USER SUB- GROUPS <sup>4</sup>:**

**1. Sub-group: MIKE 11 & MIKE FLOOD (Room L1)**

**Animators:** **Torben S. Jensen.** Permanent employee of Water Resources Software Department, Division for Water Resources, DHI Water & Environment, responsible for MIKE 11 product development. Senior INTECNO-DHI expert in hydroinformatics (MIKE 11), located in INTECNO-DHI, Torino

**Mauro Cargnelutti.** Senior INTECNO-DHI expert in hydroinformatics (MIKE 11), Torino

**2. Sub-group: MIKE SHE & MIKE BASIN (Room G3)**

**Animators:** **Børge Storm.** Head of Water Resources Software Department, Division for Water Resources, DHI Water & Environment

**Nicola Quaranta.** Senior INTECNO-DHI expert in hydrogeology and groundwater related projects (MIKE SHE), Torino

**Cecilia Mosca.** Senior INTECNO-DHI expert in hydroinformatics (MIKE BASIN, MIKE 11), Torino

**3. Sub-group: MOUSE (MIKE SWMM), MIKE NET, EFOR (Room G2)**

**Animators:** **Petr Ingeduld.** Senior product developer, MIKE NET. DHI Water & Environment, Czech Republic

**Henriette Tamasauskas.** Responsible for MOUSE product development, Department for Urban Water Utilities, DHI Water & Environment

**Gaetano Parpaiola.** Senior expert in hydroinformatics, SGI S.p.A. Senior INTECNO-DHI expert in urban related projects (MOUSE)

**4. Sub-group: LITPACK, MIKE 21 & MIKE 3 (Room G1)**

**Animators:** **Hakeem Johnson.** Senior marine software developer, Marine Software Department, DHI Water & Environment

**Marco Gonella.** Director of MED INGEGNERIA S.r.l. Senior INTECNO-DHI expert in sea and coast related projects (LITPACK, MIKE 21)

**Paolo Polo.** Senior hydroinformatic expert, MED INGEGNERIA S.r.l. Senior INTECNO-DHI expert in sea and coast related projects (LITPACK, MIKE 21)

**Keywords:** Latest developments in relation to a specific software product? Feed-back from the users – views, problems and questions? How to get information about new product developments? Contact to DHI and INTECNO-DHI experts? Special needs for training?

16.30 - 16.50

**PLENARY. RECOMMENDATIONS AND CONCLUSIONS. CLOSE**

**Coordination:**

**Karsten Havnø.** President of INTECNO-DHI; Director of Division for Water Resources, DHI Water & Environment

**Carlo Malerba.** Vice-president of INTECNO-DHI; Managing Director of Hydrodata S.p.A.

**Professor Mauro Fiorentino,** hydraulic engineer, University of Basilicata.

16.50 - 17.00

**COFFEE BREAK**

<sup>4</sup> Interaction will be a combination of English and Italian

## LATE AFTERNOON SESSION

**17.00 - 18.00**

### **BOOK-AN-EXPERT**

**Keywords:** Individual consultations between INTECNO-DHI experts and users on specific projects and technical questions.

**Programme**
